Organolyptin Test of Medicines

8196. MAULANA OBAIDULLAH KHAN AZMI: Will the PRIME MINISTER be pleased to state:

(a) whether it is possible to test the composition by testing the Majuns and Khamiras;

(b) the number of persons found specialised in this job in CGHS alongwith their names and designations;

(c) the tests of medicines made by these specialists during the last three years and the names of medicines tested by these specialists;

(d) whether it is possible for these specialists to test more than three to four medicines in a day by this system; and

(e) whether it is a fact that till the inception of IMPCL none of the Unani medicines purchased by CGHS Unani Store Depot was sent for laboratory test?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (DR. C. SILVERA): (a) and (b) There is only one method which is adopted for testing Unani medicines and that is Organolyptic method (test by tongue). All Unani Physicians are trained in this art. All permanent Unani Physicians working in CGHS, Delhi are associated with various Purchase. Advisory Committees as Technical members by rotation. The names of the present technical members are indicated in the statement (*See* below).

(c) All Unani medicines purchased by CGHS Unani Store Depot are tested by the various Purchase Committee.

(d) Yes, Sir.

(e) As there is no laboratory test available for Unani medicines, they are tested only through Organolyptic medhod.
